

Ethical Dilemmas are Situational	Rules and Guidelines are not enough	
Conditions that contribute to ethical vulnerability	Your conditions (choose one or two to write about, though if you want to fill in more you can.)	
Relationships	--to a tradition, a teacher, sangha --friendships and family --romantic relationships	
Financial Security	--living situation --travel and teaching --groups and retreats	
Environment	--political system --social injustice --natural world, climate crisis	
Other:	--Your body --Your Mental habits, patterns --Your personal history
